Final Guidelines for Poster Presentation

Poster Dimensions and Format

- **Size: Standard poster size is:**
 - All poster 59.4 x 84.1 cm (23.4 x 33.1 inches)
- **Orientation:** Landscape (horizontal).
- **Text:** Use clear, readable fonts. Recommended minimum sizes:
 - 24 pt for body text
 - 36 pt for titles
- **Colors:** Use contrasting text and background colors to ensure readability. Avoid overly bright or dark tones that may cause visual fatigue.
- **Graphics:** Include high-resolution images, graphs, and tables to support your findings. All visual elements should be clear, organized, and easy to interpret.
- **File format:** PDF

Final Guidelines for Poster Presentation

- **Printing:** Ensure your poster is printed in advance using high-quality materials to avoid damage during transport.
- **Arrival:** Arrive early at the venue to calmly set up your poster in the designated area.
- **Engagement:** Be prepared to present and discuss your work with participants. Practice a clear and objective summary lasting approximately 2 minutes.
- **Supporting Materials:** Bring additional materials such as flyers, business cards, or supplementary information to share with interested attendees.
- **All posters must include the official IJCR logo.**
- The IJCR logo will be provided via the official conference drive and must be used without modification.

Poster Presentation Tips

Tips for your Poster Presentation

 Duration of poster presentation: 2 minutes

- **Clarity and Engagement:** Present with confidence and clarity. Practice beforehand to stay within the time limit.
- **Audience Connection:** Maintain eye contact and use voice modulation to emphasize key points.
- **Simplification:** Be ready to explain complex concepts in an accessible manner if requested.
- **Language:** All posters must be written in English. Oral presentations may be delivered in English.

Q&A Session

 Duration: 1 minutes

- Evaluators will ask questions related to:
 - Methodology
 - Results
 - Broader implications of the research
- Feedback and clarifying questions may be provided to highlight how your work contributes to the medical field.

Important Notes

- Since it is not possible to present two or more posters simultaneously, each author may present only one work, although they may be co-authors on multiple submissions.
- If more than one abstract is accepted, co-authors are encouraged to present so that all studies can be showcased.
- The top 5 posters will be invited to deliver an 8-minute oral presentation on the second day of the congress.
- Selected authors should prepare a PowerPoint presentation (maximum of 5 slides).
- All presented works—poster or oral—will be published in an e-book with DOI, enhancing academic CV value.
